Put on a pair of women's shoes and join Walk a Mile in Her Shoes: The International Men's March to Stop Rape, Sexual Assault & Gender Violence. The walk benefits Rape Intervention Services and Education (RISE) of Sullivan County.

This unique fundraiser literally asks men to walk in women's shoes. It takes a lighthearted approach to a very serious subject. More importantly it:

- Provides a public forum for men to better understand and appreciate women's experiences and change perspectives.
- Helps improve gender relationships and decreases the potential for violence.
- Informs the community that services are available for recovery.
- Demonstrates that men are willing and able to be courageous partners with women in making the world a safer place.

**WOMEN AND CHILDREN ARE WELCOME
TO REGISTER AND WALK, TOO!
(Children 12 and Under Free)**

HOW TO GET YOUR SHOES

We encourage you to acquire your shoes in advance. Keep in mind that women's shoes typically run two sizes smaller than men's shoes (for example a men's size 8 is a women's size 10). You have several options:

- Call 1-800-604-1218 and order directly from the national headquarters of Walk a Mile in Her Shoes.
- Visit local shoe stores, discount shoe stores, or goodwill or consignment shops and ask for women's shoes in your size.
- Check Amazon or Ebay.

**If you can find red shoes, all the better!
We want this to be a visually riveting event.**

Providing Hope, Healing and Empowerment for Survivors of Sexual Abuse.

The Rape Intervention Services and Education (RISE) program of Sullivan County advocates for anyone — women, children, teens and men — who are or have been victims of sexual abuse. Founded in 1987, RISE provides an array of services to victims of sexual abuse and offers prevention education.

We provide advocacy and assistance to victims, and accompany them to the hospital, police or district attorney after an incident. RISE also offers confidential individual, family or couples counseling as well as support groups, prevention education and professional training sessions. We maintain a 24-hour crisis hotline and are funded by grants, in part provided by the Sullivan County Rural Health Network.
