Catskill Regional Medical Center (CRMC) Physician Services

CRMC Physician Services provide the highest quality health care services to the residents of Sullivan County and surrounding communities.

Catskill Heart Center

Catskill Regional Medical Center
3rd Floor, Ambulatory Services Building
68 Harris Bushville Rd., Harris, N.Y.
845.794.3379

At the Catskill Heart Center, our cardiologists are experts in diagnosing and treating heart disease. Our preventive cardiologists will evaluate your risk of heart disease and recommend treatment. Our rehabilitative cardiologists focus on your recovery after a heart attack or an episode of congestive heart failure. Both help you make healthy life changes and prescribe the appropriate medications for your particular heart problems. Our cardiologists, Cardio-Pulmonary Department and Radiology Department work together as a team to provide you with the treatment that's right for you.

Our physicians:

Haritha Babburi, MD
Martin Weinstock, MD, PhD
James McLaughlin, MD, FACC
Sandeep Singh, MD, FACC
Syed Jafri, MD, FACC
Kristin Mercado, MD

845.794.5335

The Endocrine Department specializes in comprehensive care of Diabetes Mellitus and other Endocrine disorders including Thyroid Disease, Adrenal Dysfunction, Osteoporosis, Hyperlipidemia, Parathyroid Disease, Sexual Dysfunction, Pituitary Dysfunction, Hirsutism and other hormonal disorders. Our Board Certified Endocrinologist is knowledgeable, caring, and compassionate.

Our physician:

Kolo N. Ediale, MD

Wound Care Center

Catskill Regional Medical Center
4th Floor, Main Building
68 Harris Bushville Rd., Harris, N.Y.
845.794.3300, Ext. 2819

The Wound Care Center provides specialized treatment for chronic and non-healing wounds that have not improved during the course of conventional treatment. Our comprehensive approach, which includes an individualized plan of care, offers the most appropriate and effective treatment for your particular needs. Our advanced therapies are proven to heal wounds that have resisted other treatments, help avoid loss of limb and reduce incidence of reoccurrence. The Wound Care Center is staffed with Board Certified Surgeons who have advanced wound care training and are assisted by our nurse practitioner.

Our patient care providers:

Abdul Shahzad, MD
Arthur Goldstein, MD
Greg Atlas, MD
Cathleen Patane, NP

Surgeon's Office
